

Ghent University – Our New Future Trondheim – 20/09/2023

Co-funded by
the European Union

1

How do we implement co-teaching in the classroom?

- Content takes precedence over methodology
- Making academic knowledge concrete
- Our New Future as example

2

What sets apart our university (when it comes to co-teaching)?

- Experiential knowledge as a common thread
- Diversity (in terms of content)
- Close physical proximity
- Informal contacts

3

How have we been sharing your experience?

- Education
- Research

4

What is required to make co-teaching successful?

- Shared experiential knowledge
- Cooperation
- Preparation
- Experience in sharing experience
- Support

5

How is the relationship between EbEs and academic staff and students?

- Structural partnership agreement
- Presence of Our New Future
- Formal and informal contacts
- Several possibilities to connect with students

6

Any questions?
